

Newsletter Cockerspaniel club 2021

In Bratislava, 17.01.2022

Dear friends,

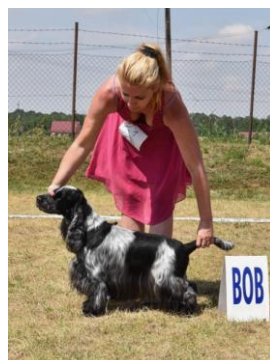

we started the year 2021 with restrictions that did not allow us to meet but we had at least more time at home to devote ourselves, our families as well as our four-legged friends. Dogs need our attention every day, whether it is lockdown or show season.

Fortunately, the situation improved significantly in the summer and the clubs were also able to organize their events. Our club did not lag behind either. We managed to organize 2 beautiful shows in a very pleasant atmosphere and with ideal weather ☺. And it was not all ...

Club Show Suchohrad 25.7.2021

On July 25, the club show was held in Suchohrad. 31 owners were registered and presented their 51 dogs. Mrs. Anita Markus (Black Mirage kennel) from Hungary accepted the invitation to judge this show. The winner was **Lindridge Bolt From the Blue**, co-owned by Linda Czipott and Attila Czeglédi (HU).

Complete results of the show can be found on the website:

Specialty Show Košúty 10.9.2021

On September 10, a special club show was organized in Košúty. The name of the world-famous judge, a specialist in cockers, Frank Kane (UK) attracted 35 owners who came to present their 58 dogs. The winner was female **Carrie by Buková Studánka** owned by Iva Maršíková (CZ).

Handling training

This year we focused on supporting our members and prepared a club handling training under the guidance of our member, the experienced handler Mykola Nevrev. The owners could try out the atmosphere of the show in the RSDC training hall in Pezinok with their dogs in a relaxed atmosphere. The training was designed to support less experienced exhibitors as well as for already experienced handlers. Any training or other form of socialization is important for our dogs throughout life.

We ended the training with a lunch in Slnenčné jazerá, Senec. We fully enjoyed the meeting and also the food 😊

Web page

We also used Advent time and long winter evenings to update and upgrade the club website. There are still small things to follow up but you can find its renewed look at the standard address:

www.cockerspanielclub.sk

In order for the page to remain active in the future and to bring you fresh and interesting information, we need you, the members, to contribute to it as well. If you want to present your dogs, achievements, born puppies, etc., please send us background material and a photo. Send all suggestions on the website to the registrar and economist of the club: iveta.uhrova@gmail.com or you can use the form available directly on the website.

Memorial

We announce with sincere and deep sorrow, that on December 12 2021 left us after a short illness, at the age of 88, **Albín Luknár**. He was honorary member and chairman of the Cockerspaniel Club, long-term breeder, all round judge for exterior, judge for hunting trials, long-term chairman of KCHPS, but mainly honest, fair man and friend.

We are looking forward to meeting at club events in the year 2022. We plan to organize 2 standard shows during the year. We will publish the dates later according to the development of the situation. If is possible to organize, we will also send an invitation to the club meeting well in advance so that you can arrange the program.
