

Newsletter Cockerspaniel club 2025

In Bratislava, 04.01.2026

Dear friends,

the club's activities in 2025 were affected by personnel changes in the board of the club. The newly elected committee met as much as needed and focused mainly on stabilizing the membership base, updating the club website and strengthening the club presentation on social networks.

In the coming year, we plan to expand activities for club members in order to support their education and skills and the overall revival of club life.

In 2025, the club organized two shows in a pleasant atmosphere.

Club Show Vojka nad Dunajom 19.4.2025
